

Pianist/Accompanist (Freelance)

The Florence Camerata is seeking a part-time pianist.

Florence Camerata Inc. is a 501c (3) non-profit founded to provide choral music to the Shoals community. We are an auditioned adult choir in our 12th season.

Rehearsals are on Monday evenings from 7:00-9:00 p.m. in Florence, Alabama. We produce 2-3 concerts per year and rehearse 20-30 times per year. The concerts are usually the early part of December, late in April and at the end of July. In the past the concerts have been themed: holiday, movie and theater music and American composed music. Each concert affords an opportunity for a piano solo.

In collaboration with music director and the board of directors, the pianist is responsible for accompanying the choir and soloists at rehearsal and performances. The choir learns primarily from sheet music. The pianist is compensated per concert or special event.

Experience accompanying an adult choir and the ability to play a variety of styles is essential. We prefer a minimum of five years of experience. The candidate must demonstrate sight-reading ability and be able to play SATB voice parts in any combination. Collaboration with the music director will allow for creative input from the pianist.

To apply, email to: laura.aldridge@gmail.com

For further information contact the choir at (256) 856-4822.
